7 Data Protection and Privacy

For further information on how we collect and process personal data, see attached the Data Privacy Notice.

8 Anti-money laundering

We may need to ask you for documentation to assist us in verifying your identity. We must verify your identity to ensure we meet certain regulations. We normally do this using electronic means but occasionally we have to ask for extra documents from you to complete this process. This will not normally result in any delay in carrying out instructions but sometimes a delay may occur. In particular, this may happen if we have to ask you for further information when you have sold Shares as we will need the information from you before we can send you the money. In these circumstances M&G may refuse to issue or redeem shares, release the proceeds of redemption or carry out such instructions.

Guide for the completion of the Application Form

If you wish to discuss any of the details within this guide, please contact the **Charities Helpline** on **0800 917 4472**.

1 Registration, declaration and signatories details

How the investment is to be registered

A charity may choose to have their investment registered in one of three ways.

1. **The name of the charity** – where this option is chosen, the charity itself will be the registered holder and documents should be executed in accordance with its constitution.
2. **Named individuals** – where this option is chosen, the charity may choose from between two to four individuals to be recorded as the registered holders for the charity. These named individuals will hold the investment on behalf of the charity.
3. **Nominee company** – where this option is chosen, the nominee company is the registered holder and holds the investment on behalf of the charity.

Name of charity

This section must be completed.

1. Where the investment is registered in **The name of the charity** – the details provided within this section will be used as the registration details. The sub-fund section should only be used where, for example, the 'ABC Charitable Trust Limited' holds investments on behalf of a number of charities, including the 'DEF Memorial Fund'. In this example, insert 'ABC Charitable Trust Limited' as the name of the charity and 'DEF Memorial Fund' in the sub fund box.
2. Where the investment is registered in **Named individuals** – the name of the charity itself must be provided here.
3. Where the investment is registered in the name of a **Nominee company** – the name of the charity itself must be provided here.

Declaration

In signing this application you are agreeing to all of the declarations and you should note the following:

- Any purported investment by an organisation that has not been accepted as a charity will be void.
- If the charity ceases to be accepted as a charity by the Charity Commission, Charity Commission for Northern Ireland or the Scottish Charity Regulator it will have to redeem its units or transfer its units to another participating charity.
- This application is subject to audit by HM Revenue & Customs (Charities).

Please supply either your Charity Commission registration number or HM Revenue & Customs (Charities) claims reference number. Charities in England and Wales that are unable to trace their Charity Commission number should check the register of charities at

www.charity-commission.gov.uk/registeredcharities/first.asp

Charities in Scotland that are unable to trace their Scottish Charity number should check the Scottish Charity register at

www.oscr.org.uk/TheRegister

Charities in Northern Ireland that are unable to trace their Northern Ireland Charity register number should check the Northern Ireland Charity register at **www.charitycommissionni.org.uk**

Charities not on the Charity Commission, Northern Ireland or Scottish Charity register should contact HM Revenue & Customs (Charities), St Johns House, Merton Road, Bootle, Merseyside L69 9BB. Telephone 0300 123 1073.

In respect of personal data that you have provided, or may in the future provide, to us relating to any of your controlling persons, trustees, directors, officers, employees, other personnel, underlying beneficial owners, agents, and any other third parties in connection with your application and the services that we subsequently provide to you, you represent and warrant that:

- i. Before signing this application, form and disclosing any personal data to us, you have read the attached data privacy notice and, in respect of personal data relating to a person or persons (other than the individual signing and completing it), you have provided that person or those persons with a copy of our data privacy notice;
- ii. The disclosure of any personal data by you to us will be made in accordance with applicable data protection and privacy laws and regulations, which include Regulation (EU) 2016/679 and any consequential data protection and privacy laws applicable in the UK;
- iii. All personal data you provide to us will be accurate, up to date and complete, and you will inform us promptly of any updates or corrections to these.

Controller details

The 'controllers' are the individuals who will be giving instructions to M&G to deal with the holding. We would normally expect there to be at least two controllers and no more than four controllers. Please notify M&G of any subsequent changes of controllers. Where possible, please include personal details rather than business details to ensure timely processing.

Where the investment is to be held in the name of the charity or by named individuals, each controller must give their details in the boxes provided. Their capacity must be stated – this might be, for example, 'Treasurer', 'Trustee', 'Director' etc.

If the holding is to be in the name of a nominee company, please state the nominee company name in the 'first name controller' box and an authorised signatory of that company should sign in the box, stating their capacity eg, 'Director'. HM Revenue & Customs (Charities), M&G are not permitted to 'pool' different charity investments that are held by the same nominee company.

Where the investment is to be held in the name of a nominee company a designation must be provided. Under an agreement that M&G have with HM Revenue & Customs (Charities), M&G are not permitted to 'pool' different charity investments that are held by the same nominee company.

2 Constitution of the charity

This section should only be completed where the investment is to be registered in the name of the charity.

Money laundering regulations require M&G to see documentary evidence of how the charity is constituted. If set up by a Trust Deed, this should be the Trust Deed, together with any subsequent Deeds dealing with changes of Trustees. If the charity is a Limited Company, M&G will need to see its Memorandum and Articles of Association. If the charity is an unincorporated association, it will normally have a written constitution. If the charity is set up in any other way or you have any queries as to what documents you should provide, please contact the **Charities Helpline** on **0800 917 4472** to discuss.

3 Charity address

This section should be completed with the charity's registered address. If correspondence should be sent to an alternative address, please complete the correspondence address box.

4 Investment details

M&G does not accept payments from third parties.

The cheque should be drawn on a UK bank or building society account in the charity's name. A cheque from another financial institution will also be acceptable if accompanied by written confirmation from that institution that the money comes from an account held with it by the charity.

5 Income and payment details

M&G does not make third party payments.

However a payment can be made to another UK financial institution.

Payment can be made electronically to a bank or building society account held in the charity's name and M&G will need to see documentary evidence of this before any such payment can be made. A recent bank or building society statement, or a blank cheque marked as void confirming the account details will normally be acceptable. If we are unable to confirm these details in time to make payment electronically, a cheque will be sent to the address we hold for the charity.
